

Datagrok User Notice

By accessing or using a Datagrok cloud product, you acknowledge and agree to be bound by the Datagrok Privacy Policy and Datagrok Acceptable Use Policy. You are responsible for (and must have sufficient authority to take) all actions that are performed on or through your Datagrok account, including any procurement or use of third party products or services (and associated disclosure of data) in connection with our cloud products. If you have been added or invited to a Datagrok cloud product, the party that administers such cloud product (and not you) controls your use of that cloud product, including adding or removing you from that cloud product, enabling or disabling third-party integrations, and managing permissions. Any content that you submit or upload to the Datagrok cloud product may be retained, accessed, used, modified, shared, or removed by the party that administers such cloud product and their appointees. You acknowledge that your Datagrok account can become managed by the entity that owns or controls the email address domain with which your account was created or registered, as described in our Privacy Policy.
